

FISHING METHODS

FALLING GEAR
(Cover Pots, Lantern nets, Cast nets)

A fisherman with grey hair and a beard, wearing a striped sarong, is standing on a sandy beach. He is pulling a large, yellow fishing net that is draped over the water and extends across the sand. The net is partially submerged in the water, and the fisherman is holding the edge of it. The background shows a sandy beach and some greenery in the distance.

Falling Gear

Penangkapan dengan alat yang ditebarkan dari atas

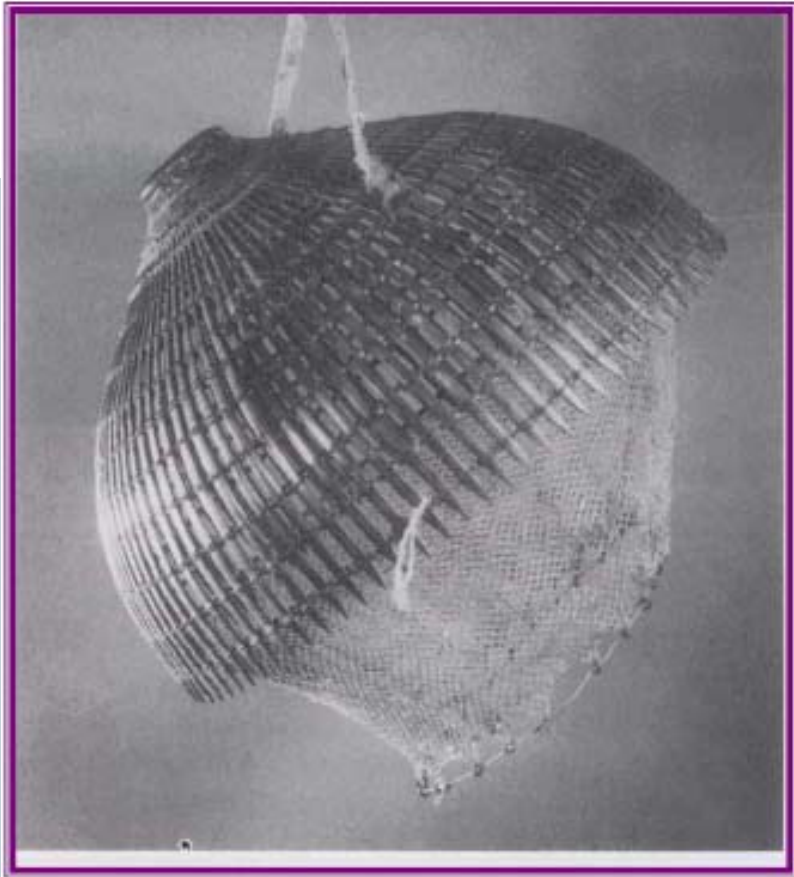

Dalam metode ini, ikan dikurung dari bagian atas. Umumnya dilakukan pada perairan yang dangkal, pada perairan yang dalam kadang dilakukan dengan beberapa alat bantu.

Contoh beberapa alat tangkap dari kelas ini antara lain:

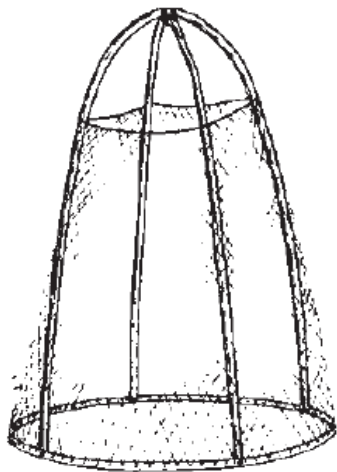

- **Cover pot,**
- **Lantern net,**
- **Cast net,**
- **Cast net dengan tali kolor.**
